Subject: 4Q 2021 PM Exceedances at Laramie River Power Plant
Date: Friday, January 14, 2022 1:38:56 PM

Albion and Adam,

This serves as notification that the Laramie River Station "LRS TEOM" Site (56-031-0805) has recorded five 24-hour PM10 exceedances in the 4th Quarter 2021:

<u>Date</u>	<u>24 hour PM10 (ug/m3)</u>
11/16/21	537.5
12/4/21	559
12/11/21	176.3
12/19/21	258.2
12/21/21	369.3

The facility has indicated that there were high winds present during these exceedances and they would like to flag these data as exceptional. The data are preliminary and under investigation. The AQD is currently reviewing information to determine next steps in our process.

Please contact Jacob Berreth or Cara Keslar if you have any questions,

Darla
